SUB: Uploading of Un-Equal Contribution of NPS.

Please refer to CDA Guwahati Circular no. 25 dated 08.04.2019 regarding streamlining the implementation of NPS.

It was mentioned in the circular that 14% of the basic and DA of the subscriber will be uploaded as govt subscription. However, the present FPU and FVU software only accepts equal contribution. Therefore it is requested to download the updated software(FPU & FVU) of unequal contribution from the NSDL corporate website (<https://www.npscra.nsdl.co.in/nodal-office-corner.php>) or from the CDA Guwahati website.

Please note that any arrear contributions having same amount of subscriptions shall be uploaded from **FPU of equal contribution** and it may be ensured that the Govt. Contribution must be greater than the individuals contribution in case of unequal contributions.

Moreover it was also mentioned in the circular that any loss of subscribers contribution due to delay in uploading may be compensated by crediting the interest as per GPF interest rules. Therefore it may be ensured that the uploading must not be delayed in any conditions and that the subscriptions deducted may be credited to the individuals account before the last working day of the month without any dereliction.
