Dated 21.01.2015

महत्वपूर्ण परिपत्र / Important Circular

As it is known to all, that blood, when needed in emergency circumstances, can save many lives. It is often seen that during emergency, records of individuals with requisite **Blood Group** is not readily available. For timely treatment it is essential. Thus it is felt to create a data base of Blood Groups amongst the Officers and staff of CDA Guwahati and CDA (BR) Guwahati.

It is, therefore, requested to all the officers and staff of CDA Guwahati and CDA (BR) Guwahati to forward the details as per the following format to DARC, CDA Guwahati, so as to incorporate the information in the PAYSLIP. This way important information can be retrieved as and when required during treatment of any member of DAD family or their relatives.
