Subject : Use of Gmail/Yahoo Accounts by Government Officials.

It has been noticed that some personnel of Defence Accounts Department are using email id other than NIC like gmail / yahoo etc for official communication which intends to sharing government data through third party servers and may become vulnerable.

Presently, foreign based cyber threats actors are trying to hacking data of Defence establishments very frequently. Hence, Primary duty of government official is to protect official data using NIC email only.

In view of the above, it is instructed that only NIC email should be used for communicating official data. Use of other than NIC email, all emails are strictly prohibited.

As per email policy of Government Of India issued by MeitY, It is directed to all the personnel working under Defence Accounts Department to register / Open NIC email accounts, if not already done, through respective IT&S wings of PCsDA / CsDA offices. Pr IFAs / IFAs are requested to contact IT&S Wing of their proforma controller for creation of NIC email id if not created.
