No. AN/IV/115/Circular/Vol-III

Dated: 23.07.2026

CIRCULAR No. 89

To

The Officers-in-Charge,

1. All sections of CDA Guwahati, Main Office
2. IFA (Army, Works) Guwahati

Subject:

Ensuring proper closure of appliances to prevent energy wastage and electrical hazards.

It has been observed of late that within certain sections, electrical amenities encompassing artificial lighting, ceiling fans, air-conditioning units, and computer/printer apparatus are being left operational beyond the prescribed closing hours. This oversight not only culminates in wastage of energy resources but also precipitates a tangible risk of electrical fire hazards.

2. In light of the foregoing, all Officers-in-Charge are hereby requested to exercise strict supervision and ensure that every electrical appliance within their respective domain is powered down prior to the cessation of daily operations. Adherence to this directive is essential to mitigate the aforementioned vulnerabilities and uphold the institutional tenets of prudent energy conservation.

3. The cooperation of all officers and staff is earnestly solicited in the collective endeavor to conserve energy, safeguard public property, and uphold a safe working environment.
