MESSAGE

The Defence Civilians Medical Aid Fund (DCMAF) will be completing 66 years on 28th September, 2018. The Fund has been providing financial assistance to fulfil specified medical needs of the Defence Civilian Employees, on payment of nominal fee either in lump sum or on an annual basis. Over a period of time, its scope has been expanded to include many ailments, providing much needed relief to its members and their families in their hour of need.

The Fund has extended financial assistance of Rs. 43 lakh to its members in the financial Year 2017-18. Currently, about 2.21 lakh Defence civilian employees are members of the Fund. Owing to lack of awareness about the Fund, even now a large number of civilian employees are not its members.

On the occasion of the DCMAF week to be observed between 28th September and 4th October, 2018, I appeal to the Heads of all Defence Establishments, Federations and Associations under the Ministry of Defence to launch campaigns to make the employees aware of the benefits of the Fund and to motivate the employees to become members of the Fund.
