Subject: Debit balances in the IRLAs of retired Army Officers.

PCDA (O), Pune, intimated that large number of debit balances being reflected in the IRLAs of the Army Officers was adversely commented upon, during the recent inspection by HQrs Office. Many of the debit balances are on account of recovery of rent and allied charges after the date of retirement of the officers.

As per provisions of Rule 693 and 694 of the MES Regulations "In the case of pensioners and private individuals, rent is recoverable monthly in advance". Rent bills will be sent through the appropriate MES Office direct to them for payment, either into the treasury or to the MES office concerned on or before the 5th of the month."

In view of the above, it is requested that suitable directions may be issued to all the concerned offices so that the bills on account of rent and allied charges in r/o retired officers may be dealt in accordance with the above provisions of the MES Regulations.
