In continuation of the above referred letter it is clarified that for regulating TA/DA claims related to permanent transfer, in cases involving transportation of personal goods by road ibid MoD letter (para 3 (iii) "Transportation of Personal Effects" in the Annexure) does not contain any mention of the criterion of weight of personal effects. Instead, only per kilometre rates have been mentioned therein, as per the armed forces personnel's pay levels.

2. Any quantum of personal effects can be transported by road, by the armed forces personnel, on permanent transfer. Their entitlement on this account would be the per kilometre rate multiplied by the distance between the residence at the old duty station upto the residence at the new duty station. Accordingly, it is reiterated that the above mentioned criterion of weight may not be applied while regulating ibid TA/DA claims.
