All AAO BSO Offices  
&  
All AO GE offices doing BHAWAN  
(name of the offices enclosed)

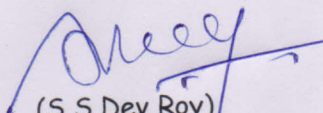

Subject :- Workshop on Project BHAWAN.

Project BHAWAN meant for the AAO BSO offices was launched as an IT initiative by the department in an effort to generate revenue through the system. Though training was imparted to all the offices, yet BHAWAN data received at this end from different sub offices is of quite negligible amount and consequently desired result has not yet been obtained. Competent authority, therefore, desires to arrange for another round of training so that work done by their end would be reviewed and problem faced by them would be addressed. For this purpose, one/two participant (s) may be deputed from your office for two day session scheduled to be held from **18/01/2016 to 19/01/2016 in Main Office, CDA Guwahat**. Further, data received from their respective executives and the CPU (if necessary) used for the project may also be brought along with them so that software related problem, if any, may be addressed for generation and rendition of License Fee, etc.

TA/DA as per Rule is authorized.

This has the approval of CDA.
