**Subject: Implementation of Digital life Certificate Programme.**

Dear Sir,  
In pursuance of implementation of Digital Life certificate Programme, this office in receipt of number of communications on the above subject, from all over India. I would like to thank all PsCDA/CsDA/CFAs for their overwhelming response for furnishing us with the data of Aadhar enrollment of Defence Civilians.

On examination of the data held at this end it has been found that due to concerted efforts taken by PsCDA/CsDA/CFAs a good number of Defence Civilians (DAD/Non DAD) are now Aadhar enrolled. However, we are still few miles away from our target, as information from these offices is either still awaited/complete data is not projected in reports. A copy of latest report (prepared on the basis of data furnished to this office) is enclosed herewith which is self-explanatory of the situation. It is once again stated that units/formations/sub offices falling under your audit jurisdiction may be approached and data may be collected, compiled and consolidated and final figure may be rendered to this office duly completing the enrollment of all Defence Civilians.

88C  
15.11.17

As earlier stated, the project is time bound and needs immediate attention by all stakeholders, therefore it is requested to issue directions to all concerned to speed up action and to ensure that target of enrollment of all Defence Civilians is completed by 30/11/2017 positively. The project is in hand for past two years and not yielding anticipated result which has been viewed seriously by HQrs office.

Kindly ensure that the final data showing 100% achievement of target in respect of all your offices (all inclusive of AAOs branch offices, AO GE's etc) is forwarded to this office by fastest means, within stipulated period.

*with warm regards*

(Padam Lal Negi)  
Controller of Defence Accounts (IDS)
